DIRECT BURIAL OR PRE-INSTALLATION

HOW TO SPECIFY...

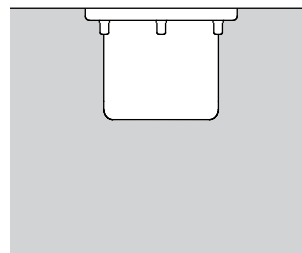

To specify Lumascap's **LS853** refer to the specification diagram on the adjacent page. Please take particular notice of the footnotes.

LS640 and **LS6058-K** are accessories sold separately.

You will need to make eight choices. The example at the top of the specification diagram on the adjacent page, depicts the correct format in which to write your complete LS853 specification code. Select the appropriate code from each table, working from left to right.

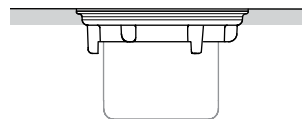

- 1 Source**
Select the type of lamp source and wattage (or maximum wattage) for your installation.
- 2 Lens**
Select the type of glass lens for your installation.
- 3 Cover**
Select the type of cover, material and finish.
- 4 Cable Entry**
Select the appropriate cable entry type for your installation.
- 5 Optical System**
Select the appropriate optical system.
- 6 Body**
Select the body type for your installation.
- 7 Control Gear and Cable Entry Location**
Select cable entry location.
- 8 Voltage**
Select the supply voltage and frequency appropriate to your region of installation.

Direct Burial

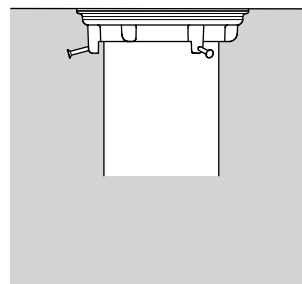

LS640 Mounting Collar for Decks and Grates

(Consult factory for details)
